SUMMER INTERNSHIP

EY-Parthenon Apr 2025 – Jun 2025

Summer Associate — Private Equity Advisory

- **PE CRM Vendor Evaluation:** Evaluated 30+ CRM solutions for a leading India-based PE firm to streamline deal sourcing, LP engagement, and post-deal monitoring.
- **Procurement-Compliant RFP:** Implemented a procurement-compliant RFP framework anchored by 100+ KPIs across 7 key dimensions; formulated a weighted scoring methodology for 5+ live demos.
- **Parity-Adjusted Framework:** Developed a parity-adjusted scoring model leveraged in 18+ reference calls to normalize reporting gaps from unanswered questions.
- **Executive Delivery:** Developed 10+ operational dashboards and an end-to-end recommendation deck. Secured a **Pre-Placement Offer (PPO)**.

WORK EXPERIENCE (41 MONTHS)

Nucleus Software Exports Ltd. Jan 2021 – Jun 2024 (41 Months)

Senior Software Engineer & Software Engineer — Build Neo Engineering

- **Client Satisfaction:** Increased CSAT scores by 13% via seamless go-live of global initiative for leading NBFCs and banks.
- **Quality & Defect Elimination:** Curtailed bug reporting by 43% from prior releases through 5-Why, Root Cause Analysis (RCA) and action planning.
- **Stakeholder Management:** Managed 100+ stakeholder concerns by gathering 30+ product needs from 5+ customers; deployed 9+ service packs with 100% quality compliance.
- **Database & Release Engineering:** Developed and maintained 28+ SQL migration scripts across 30+ production releases; mentored 6+ junior engineers.

Little Black Book May 2018 – Jul 2018

Intern — React Native Developer

- Reduced development time by 50% by building 'Special Pages' using React Native for iOS and Android platforms.
