SUMMER INTERNSHIP

EY-Parthenon Apr 2025 – Jun 2025

Summer Associate — Private Equity Advisory

Project: CRM Vendor Evaluation for a Leading India-Based Private Equity Firm

- **PE CRM Vendor Evaluation:** Evaluated 30+ CRM solutions for a PE firm to streamline deal sourcing, LP engagement, and post-deal monitoring.
- **Procurement-Compliant RFP:** Elevated assessment efficiency by implementing a procurement-compliant RFP framework anchored by 100+ KPIs.
- **Standardized Scoring Methodology:** Standardized vendor evaluation via a priority-aligned demo script that codified assessment across 7 key dimensions.
- **Parity-Adjusted Framework:** Developed a parity-adjusted scoring model leveraged in 18+ reference calls to normalize gaps from unanswered questions.
- **Demo Evaluation:** Formulated a 7-parameter weighted scoring methodology for 5+ demos accelerating data-driven and bias-free evaluation.
- **Executive Visibility:** Enhanced executive visibility by developing 10+ dashboards that distilled evaluation findings into actionable insights.
- **Stakeholder Alignment:** Drove stakeholder confidence through a comprehensive deck articulating the evaluation methodology and shortlist.
- **Achievement:** Secured a **Pre-Placement Offer (PPO)** for demonstrating exceptional performance and delivering impactful outcomes.

WORK EXPERIENCE (41 MONTHS)

Nucleus Software Exports Ltd. Jan 2021 – Jun 2024 (41 Months)

Senior Software Engineer & Software Engineer — Build Neo Engineering

Earned a promotion to Senior Software Engineer in 9 months through a fast-track process for exemplary performance

- **Client Satisfaction:** Increased customer satisfaction scores by 13% via seamless go-live of global initiative for leading NBFCs and banks.
- **Quality & Defect Elimination:** Curtailed bug reporting by 43% from previous releases through 5-Why, Root Cause Analysis (RCA) and action planning.
- **Stakeholder Requirements:** Managed 100+ stakeholder concerns by gathering 30+ comprehensive product needs from 5+ different customers.
- **Database Migration Infrastructure:** Developed and actively maintained 28+ migration scripts using SQL across 30+ production and service pack releases.
- **Release Governance:** Deployed 9+ service packs through compiling of user stories, timely testing and ensuring 100% quality compliance.
- **Support & Enablement:** Designed a Support Manual for FinnOne Neo Collections facilitating self-sufficiency with the Implementation team.
- **Mentorship:** Provided mentorship, assistance and guidance to 6+ junior software engineers throughout their onboarding process.

Little Black Book May 2018 – Jul 2018

Intern — React Native Developer

- Reduced development time by 50% by building 'Special Pages' using React Native for iOS and Android platforms.
